

LAPIS BARD

ENGLAND

AFFORDABLE LUXURY WITH AN ENGLISH ACCENT

A long time ago a connoisseur travelled abroad, acquired an English gem, and brought it home – and so began Lapis Bard’s Indian adventure. Applying the skill and expertise garnered from being India’s premier address for fine writing and luxury accessories, William Penn refined the brand’s traditional English roots and expanded Lapis Bard’s core from writing instruments into an entire world of high-class accessories.

The brand is a perfect medley of luxury and utility that is focused on offering the Indian consumer what he desires – a supremely functional product with stellar design, attention to detail, and quality without compromise.
